

Curriculum Vitae

Lisa V. Adams, M.D.

1 Rope Ferry Road, Room 219
Geisel School of Medicine at Dartmouth
Hanover, NH 03755
(603) 650-6065

lisa.v.adams@dartmouth.edu

Education

- 1990 M.D., Geisel School of Medicine at Dartmouth, Hanover, NH
1986 B.A. in Philosophy, Wellesley College, Wellesley, MA
1985 University of Sussex, visiting student, Brighton, England

Postgraduate Training

- 1999-2000 Leadership Institute, selected for New York City administrative leadership training.
1997 Public Health in Complex Humanitarian Emergencies course, (Interaction/OFDA)
1990-93 Intern and Resident, Primary Care Internal Medicine Program, The Cambridge Hospital, Harvard Medical School, Cambridge, MA
1993-94 Chief Medical Resident, Primary Care Internal Medicine Program, The Cambridge Hospital, Harvard Medical School, Cambridge, MA

Professional Experience

- 2003-2013 **Assistant Professor**, Section of Infectious Disease and International Health, Departments of Medicine & Community and Family Medicine;
- 2013-present **Associate Professor; Associate Dean for Global Health**, Geisel School of Medicine at Dartmouth, Hanover, NH
- Director, Geisel's Center for Health Equity
 - Direct new global health program development and educational activities for students
 - Teach interdisciplinary global health courses for graduate, medical & undergraduate students
 - Program Director for Dartmouth on the Rwandan Human Resources for Health Program
 - Faculty for the Dartmouth-BU AIDS International Training and Research Program
 - Program Director of DARDAR pediatric HIV treatment program in Tanzania
 - Co-investigator on Frameworks in Global Health NIH Grant (2009-11)
 - Co-investigator of the DARDAR clinical trial of *M. vaccae* TB vaccine in Tanzania
 - Clinician in Travel Clinic and a Civil Surgeon
- 1999-2002 **Director of Surveillance**, Tuberculosis Control Program, New York City Department of Health, New York, NY
Oversaw active and passive surveillance activities and maintenance of TB data, supervised staff of 22 employees, oversaw reporting to CDC, analyzed TB registry data and produced annual report, lectured locally on TB control, participated in epidemiologic studies, oversaw management of MDR-TB, oversaw investigations of laboratory cross-contamination, provided care to TB patients in chest clinic, served as Acting Director.
- 2001 **Acting Director**, Tuberculosis Control Program, New York City Department of Health, New York, NY
Directed the multifaceted activities, including epidemiology, surveillance, clinical services, and fiscal oversight of a large program with an annual budget of approximately \$40 million; provided clinical consultation to providers citywide and care to TB patients in city chest clinic; assisted with emergency response to World Trade Center attacks and bioterrorism surveillance.

- 1997-1998 **Staff Physician**, Neponset Health Center and Geiger-Gibson Community Health Center, Harbor Health Services Inc, Boston, MA
Provided care to patients age two and older in Urgent Care and Primary Care Depts.
- 1995-1997 **Medical Director**, Doctors of the World, USA, Prishtina, Kosovo
Directed TB control project covering five districts (population 500,000); supervised 23 employees; oversaw distribution of 90,000 health and hygiene parcels to 3,500 TB patients; conducted two assessment missions (Bosnia and Albania); wrote proposals for three funded programs: women's health education, emergency assistance for refugee children, and TB control phase out program.
- 1994-1995 **TB Project Director**
Instituted a TB control project in 5 districts (populations 250,000); established and supervised maintenance of TB database; trained TB outreach nurses; supervised 2 pulmonologists and 12 staff; presented TB data to Ministry of Health; consulted on patients at Prishtina Hospital.
- Technical Advising and Consultancies in Tuberculosis and Refugee Care**
- 2011-present **TB Project Director**, TB CARE II/University Research Council, Bethesda, MD
Conducted an overview of systematic reviews of interventions to improve delivery of isoniazid preventive therapy (IPT); provided technical assistance to partners in Swaziland to assess outcomes and models of IPT delivery.
- 2010-2013 **TB Project Director**, PATH, Washington DC
Worked with PATH and the Tanzanian National TB and Leprosy Programme to develop clinical guidelines for the management of tuberculosis in children, a training curriculum and materials and job aids; participated in the training and conducted monitoring and evaluation.
- 2003-2008 **Senior TB Advisor**, John Snow, Inc. Research and Training Institute, Arlington, VA
As part of the MEASURE Evaluation Project, assisted with development of *Compendium of Indicators for Monitoring and Evaluation of National TB Programs*, field-tested TB indicators in Peru and Kazakhstan, taught in regional M&E workshops.
- 2005-2008 **TB Advisor**, PATH, Washington, DC
Technical advisor on preparation of Vietnam's TB Program's Global Fund application (awarded: \$59 million).
- 2007 **TB Consultant**, National TB Program, Prishtina, Kosovo
Conducted site visit of Global Fund activities, provided technical assistance and guidance on extension of TB program coverage to ethnic minority populations in Kosovo.
- 2003-2006 **TB Consultant**, The CORE Group, Washington, D.C.
Developed curriculum and taught in the 5-day TB course "TB control programming for PVOs" held in Chennai, India and Washington, DC; lead author of the *TB Technical Reference Materials* for the CSHGP/USAID.
- 2005-2006 **TB Consultant**, EngenderHealth, Accra, Ghana
Assisted with development of TB/HIV policy and clinical guidelines and revision of TB clinical guidelines and national TB manual; assisted NTP with preparation of Round 5 proposal to the Global Fund to Fight AIDS, TB and Malaria (awarded: \$37 million).

- 2005-2006 **M&E Consultant**, Research Triangle Institute International, Washington, DC
Member of team that conducted an evaluation of the developmental impact of AIHA partnership programs in Central and Eastern Europe, presented results at USAID.
- 2002-2004 **TB Consultant**, Doctors of the World, USA,
Prishtina, Kosovo: Provided technical assistance to the National TB Program in the implementation of DOTS, assisted in surveillance system development, data management and analysis, and assisted proposal writing (GFATM) and strategic planning.
Bucharest, Romania: Led development of a TB control project in collaboration with the MOH; principal technical writer for USAID proposal (awarded).
- 2002-2004 **TB Consultant**, Project HOPE, Millwood, VA
Senior Technical Advisor and principal writer for USAID proposal for “TB Control Program for Central Asia” (awarded), assisted with study of TB program in Kyrgyzstan.
- 2004-2005 **TB Consultant**, University Research Co., LLC, Bethesda, MD
Assisted with proposals for Global Health TB Program Support Task Order and TB Control Assistance Program; participated in presentations to USAID.
- 2004 **TB Technical Writer**, Open Society Institute, New York, New York
Assisted with writing and editing the *Progress Report on the Global Plan to Stop Tuberculosis*, (http://www.stoptb.org/documents/progress_report_2004.pdf).
- 2003 **TB Consultant**, World Bank, Washington, D.C.
Assisted with a mapping of TB operational research in the 22 high-burden countries.
- 1998 **Refugee Care Physician**, International Rescue Committee, Kibondo, Tanzania
Supervised local physicians and treated patients at 100 bed hospital in Burundian refugee camp. Maintained disease surveillance databases.
- 1998 **Emergency Medical Consultant**, Doctors of the World, USA, Prishtina, Kosovo
Assessed emergency medical needs of internally displaced individuals; provided medical care and distributed health/hygiene and food parcels.
- 1997-1998 **TB Consultant**, Doctors of the World, USA, South Africa
Participated in assessment missions for a TB control project in Western Cape, South Africa.

Other Professional Activities

- 2012-present Pediatric TB Guidelines Committee Member, World Health Organization
- 2010-present Member, Consortium of Universities for Global Health; Planning Committee for 2011 Annual Meeting
- 2010-present Geisel School of Medicine at Dartmouth Alumnae Council Class Representative, Hanover, NH
- 2009-present Board of Directors, SALAMA: Tanzania, Madison, WI
- 2003-present Member, Board of Directors, Dartmouth International Health Group, Hanover, NH
- 2002-present Peer reviewer for the American Journal of Respiratory and Critical Care Medicine, Clinical Infectious Disease, Emerging Infectious Diseases, International Journal of TB and Lung Disease, JAMA, Journal of Infectious Disease, and Journal of Tropical Medicine.
- 2001-2002 Reviewer for TB grant proposals, National Institutes of Health, Bethesda, MD
- 1998-2002 Program Committee Member, Doctors of the World, USA, New York, NY
- 1999-2002 Member, Board of Directors, Doctors of the World, USA, New York, NY

Certification and Licensure

2003-present New Hampshire License Registration
1998-2002 New York Medical License Registration
1991-1998 Massachusetts Medical License Registration
1997, 2009 Diplomate, Board Certified by the American Board of Internal Medicine

Honors and Awards

Graduated Cum Laude, Wellesley College, 1986
Doctors of the World Volunteer of the Year Award, 2002
Alpha Omega Alpha, National Medical Honor Society, elected 2004
